

ThreatQ Academy

FREQUENTLY ASKED QUESTIONS

WHAT IS THREATQ ACADEMY?

ThreatQ Academy is ThreatQuotient's comprehensive training and learning solutions custom-tailored to meet the evolving needs of our clients and partners and in an effort to solidify our commitment to those partnerships.

ThreatQ Academy has three delivery options: onsite instructor-led, virtual instructor-led, and online self-paced courses.

HOW IS THREATQ ACADEMY DIFFERENT FROM OTHER CYBERSECURITY TRAINING PROGRAMS?

ThreatQ Academy is ThreatQuotient's commitment to our clients and partners to evolve along with them in their pursuit to protect their information technology assets. ThreatQ Academy provides standard training modules as well as custom-tailored learning solutions that can meet virtually any operational need and be accessible when they are needed.

CAN CLIENTS AND PARTNERS CUSTOMIZE THREATQ ACADEMY COURSES TO MEET THEIR SPECIFIC NEEDS?

Yes, ThreatQ Academy courses can be customized to meet the specific needs of organizations. Contact your account team for more information.

WHAT IS THREATQ ACADEMY ONLINE?

ThreatQ Academy Online is ThreatQuotient's online learning platform designed to make our training and learning solutions more accessible to our clients and partners.

WHAT COURSES ARE AVAILABLE WITHIN THREATQ ACADEMY ONLINE?

ThreatQ Academy Online currently offers the following courses: ThreatQ Security and Intelligence Operations, ThreatQ Platform Administration, and Cyber Threat Intelligence Foundations. We will provide updates and add new content as new features and functions of the ThreatQ Platform are released.

HOW IS THREATQ ACADEMY PRICED?

Pricing for ThreatQ Academy varies depending on the number of courses purchased and the number of users. Contact the sales team for more information.

HOW DOES THREATQ ACADEMY ONLINE TRACK STUDENTS' PROGRESS?

ThreatQ Academy Online tracks students' progress using a comprehensive infographics and reporting system that provides insights into all of the students course completion, performance, and engagement. Gamification within ThreatQ Academy Online allows students to track themselves and their peers by scoring points for courses completed and earn badge rewards to highlight the milestones in a student's progress.

FREQUENTLY ASKED QUESTIONS

WHAT KIND OF SUPPORT IS AVAILABLE TO THREATQ ACADEMY STUDENTS?

Students have the ability to access a dedicated training support team to assist with technical or course-related issues.

IS THREATQ ACADEMY AND THREATQ ACADEMY ONLINE AVAILABLE TO NON-CLIENTS OR THOSE WHO ARE NOT IN A PARTNERSHIP WITH THREATQUOTIENT?

No. Only ThreatQuotient's clients and trusted partners can benefit from ThreatQ Academy's catalog of courses.

WHY NOW?

In ThreatQuotient's latest research report, State of Cybersecurity Automation Adoption, senior cybersecurity professionals cited employee retention and closing the security skills gap as high priority issues. ThreatQ Academy directly addresses skills shortage concerns by enabling stronger staff retention and supporting existing employees with training that allows them to grow and gain skills for more security operations roles.

ABOUT THREATQUOTIENT™

ThreatQuotient improves security operations by fusing together disparate data sources, tools and teams to accelerate threat detection and response. ThreatQuotient's data-driven security operations platform helps teams prioritize, automate and collaborate on security incidents; enables more focused decision making; and maximizes limited resources by integrating existing processes and technologies into a unified workspace. The result is reduced noise, clear priority threats, and the ability to automate processes with high

fidelity data. ThreatQuotient's industry leading data management, orchestration and automation capabilities support multiple use cases including incident response, threat hunting, spear phishing, alert triage and vulnerability prioritization, and can also serve as a threat intelligence platform. ThreatQuotient is headquartered in Northern Virginia with international operations based out of Europe, MENA and APAC. For more information, visit www.threatquotient.com.
